Our country is "premised on the self-evident truth that every single person is made in the image of our Creator, God....every single person has inestimable dignity and value." There is no relation to color of skin, zip code, or job description. Thus value is a gift from God. What is needed is a new generation of leaders and volunteers who will step up and support Pregnancy Centers and our young mothers facing a difficult pregnancy, using our voices and influence and time. —Speaker Mike Johnson, Jan 24, 2025, March for Life
