**Students for Life** is a pro-life organization focused on changing hearts and minds of young people in high schools and colleges to understand life needs to be protected. Planned Parenthood, on the other hand is trying to do everything possible to "pierce the hearts and twist the minds of young people." Planned Parenthood builds 88% of abortion clinics within a few blocks of college campuses feeding students with lies that abortion is acceptable when it really is unfathomable. Students for Life saves lives by "exposing" Planned Parenthood as an organization that kills 1076 babies each day including selling their body parts and receiving over \$700,000.00 from the taxpayers.

**The 3-day National Eucharistic Pilgrimage is travelling through our Diocese May 19th-21st. See Last week's insert for stops & times.**

Gather a carload of friends to take part in this pilgrimage for all three days or just join in where it is convenient for as many stops as you can.
