Abby Johnson, Past Director of an abortion clinic, left her job and started "And Then There Were None" to help support abortion workers leaving their jobs. She produced the movie, *UNPLANNED*. She plans a new movie, *UNTHINKABLE*, wherein doctors and workers who left the abortion clinic tell their stories. She requests we call our theaters to ask them to show this movie. —Letter of Abby Johnson of *And Then There Were None*, www.abortionworker.com.
